

Enterprise-Class Designs to Enhance Productivity at Work

BenQ BL2486TC Business Monitor

With BenQ BL2486TC business monitors, you are the boss of your workspace. Whether to boost your work efficiency with USB-C connectivity, enjoy expanded screen real estate on a dual-monitor setup, or find the perfect screen positioning for your tasks, you decide. Even extended work periods will keep your eyes comfortable.

Versatile Connectivity Directs Your Workflow

One single USB-C™ cable simultaneously provides fast data transfer and 65W power delivery for your laptop and various personal devices. Two extra USB-A ports make it easy to connect your peripherals.

Expand to Multiple Displays

Connect your computer to create a multi-monitor setup for extra screen real estate and a decluttered workspace by daisy-chaining. Utilize pivot rotation to customize views on multiple displays.

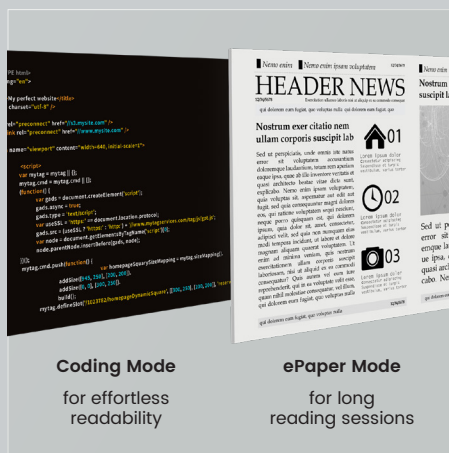

Adjust for Better Efficiency

The monitor has tilt, pivot, swivel, and height adjustment to offer easy customization for flexibility in an ideal comfortable user environment.

Smooth and Precise User Experience

100Hz refresh rate reacts more quickly to changes, resulting in a smoother and precise user experience.

Color Modes for Multitasking

Devised to make every color pop out for easy readability with optimized contrast and saturation of dark mode.

Smart Screen Brightness Optimization

The Brightness Intelligence sensor detects and actively adjusts screen to match your environment. B.I. Gen2 allows higher degree of adjustability with customizable screen brightness.
