FUJITSU Accessory Wireless Keyboard Set LX960 Input Devices

Excellent set with 128-bit AES encryption keyboard and glass-tracking Blue LED mouse

The Wireless Keyboard Set LX960 is a top of the line desktop solution for lifestyle orientated customers, who want only the best for their desk. This superb keyboard set offers ambitious users more functions and better features than a conventional interface device. It even includes 2.4 GHz technology and 128-bit AES encryption.

Usability

- Plug & Play set with USB receiver dongle
- Supports 128-bit AES encryption for RF keyboard
- More comfortable keyboard with 12 additional buttons for fast application access
- Blue LED Mouse with 10 buttons, 6 of which are programmable
- Glass tracking sensor
- DPI switch up to 2000 dpi

Ergonomics

- Elegant and extraordinary design
- Stress free and effective use through high contrast keys and ergonomic key design
- Soft touch keys in patented slim key-technology
- An ergonomic shape of the mouse, designed to be held comfortably by the hand for extended usage

Reliability

- High quality and function stability
- Very good price/performance ratio
- Abrasion-proof keys through laser technology
- No interference through 2.4 Ghz technology: almost unlimited number of users working with this set in a room

Wireless Keyboard Set LX960
