

Lenovo™ ThinkPad Thunderbolt 3 Dock

TAKE YOUR PRODUCTIVITY TO THE MAX WITH THUNDERBOLT 3

Powerful, versatile – ThinkPad Thunderbolt 3 Dock helps you work more efficiently and creatively than ever.

Powered by innovative Intel® Thunderbolt 3 technology, ThinkPad Thunderbolt 3 Dock delivers the fastest most versatile docking solution. With 40 Gbps, it's the fastest port you can get on a computer. It's four times faster than the data of any other cable, so you can watch, edit and create large files lightening fast. Twice the video bandwidth enables it to support two 4K monitors streaming independently in amazing details. At the same time, it can also simultaneously rapidly charge your ThinkPad system via the USB Type-C™ port. What's more, it provides easier network management for your IT team on managing selected ThinkPad systems. Simply connect your notebook or tablet to the ThinkPad Thunderbolt 3 Dock – for the most productive, space-saving workstation for creative professionals.

WHY YOU SHOULD BUY THINKPAD THUNDERBOLT 3 DOCK

Need to see details while multi-tasking?

Enjoy UHD video experience with dual video output or FHD – with up to three displays for multi-tasking with ease.

Lightning Fast Big Data Transfer

The front Thunderbolt port offers up to 40Gbps data transfer speeds – 4 times faster than the average dock for larger files such as video editing or CAD files.

Enterprise IT Companion

The dock provides easy and secure network manageability such as PXE boot, Wake-On LAN. It also supports passing ThinkPad Mac through the dock for IT to identify the system.

THE THINKPAD THUNDERBOLT 3 DOCK IS BEST SUITED FOR

1

IT decision makers with one eye on improving employees' daily devices and the other on delivering smooth and efficient day-to-day technology services to the company – for optimal productivity.

2

Multi-tasking multimedia mavens who deal with large files and demand a powerful docking station to achieve their goals.

3

Professionals who want to enjoy the ultimate 4K video experience.
