Highlightstext:

- For the installation of flat screen TVs with a screen size from 48 to 122 cm (19" to 48")
- Tested safety: exacting stress, stability and functional tests guarantee high quality standards
- With the theft protection device, you can secure the TV using a padlock
- If the TV bracket has been mounted slightly at an angle on the wall, the position of the TV can be corrected by a few degrees horizontally
- Cable manager provides organisation and necessary strain relief
- Easy-Fix system for simple and fully adjustable orientation of your TV
- Tested according to the criteria of a recognise testing body for use in public places, such as in hotels or conference rooms
- By removing the padlock and metal cover, the holder becomes accessible again and the TV can be removed

Note for Consumers:

Padlock not included in the extent of delivery.

Please note that the padlock's shackle diameter must be 4 mm or less.

The bracket can only be unlocked and the TV removed if no padlock is attached.

In addition to the varied installation accessories supplied, we also recommend the following tools for the installation process: drill, pencil, screwdriver, power screwdriver, measuring tape, spirit level.

The dowels and screws supplied with this TV wall bracket are only suitable for concrete and solid brick walls. Please check your wall before commencing installation. If the wall is made of any other material, please source suitable dowels and screws from a specialist retailer.
