

Headphones

Perfect Sound

With soft foam ear cups, an adjustable headband and a super lightweight design, V7's Lightweight Stereo Headphones provide hours of listening comfort. Compatible with all MP3, CD, DVD, Mini Disc players, portable game systems, iPads and iPhones and any electronic device that supports a 3.5mm audio jack. V7 stereo headphones or ear buds are perfect for home, office or mobile use.

V7's Lightweight Stereo Headsets are the solution for clutter-free communications. Ideal for voice and video chat, Skype, voice recognition software and online PC gaming.
