Lightweight, secure, and designed for effortless mobility, the Slim Case FIVE keeps your essentials protected without the bulk. The lockable notebook compartment with DCT Notebook Protection ensures maximum safety, while an integrated slip pocket securely holds tablets up to 12.9". A front compartment with structured pockets organizes accessories, and a separate back compartment provides dedicated space for documents. Made from 16.5 recycled PET bottles, it's a sustainable and practical choice for modern professionals.

As a leading brand for premium carry solutions, we are consciously aware of our social and ecological responsibility - "from people for people".
