

# V-BRACKET IPAD KIOSK

**SKU: CVPA103B**

---

## PRODUCT DESCRIPTION

This iPad Kiosk is a robust and secure solution for your business' mobile POS system. The intuitively designed stand has a rotating and swiveling head and adjustable height pole, making your iPad POS system easy to use and accessible. The Legacy Revel Systems™ pole stand has through wire design for cable management to keep your counter-top clean from clutter.

The Dual Screen Mount Option allows an iPad facing the employee and one iPad facing the customer to make sales more transparent and speed up the checkout.

Impress your customers with the V-Bracket Stand and keep them (and your employees) happy with how easy it is to use.
